[Adam M]

I wanna cut you like some scissors
I wanna beat you like my speakers
I wanna smash like I got my foot on the gas
I want my song to be the world's biggest hit

[Evan]

I got an all black six and it's so sick
I got a chick from Brazil and she so thick
Spectac I let the money walk for me
I want my song to be the world's biggest hit

[Sean]

I got game so I let the chain talk for me
Her body full of goosebumps but the doors closed
I keep a six-pack on me like stone cold
I want my song to be the world's biggest hit

[Adam M]

I make the whole bed shake like an earthquake
I bang up like a birthday cake
I put them fours on the donk and now they squeak a
little
I want my song to be the world's biggest hit

[Peter]

Head over heels I've fit in before
Now I don't wanna do it no more
I've held it all in with blood on my face
I want my song to be the world's biggest hit

[Nathan]

Built it up man so bad you can taste
I don't slag no one
I don't even judge
I want my song to be the world's biggest hit

[Sryan]

Don't give a shit 'cause I'm not gonna budge
I just want to be who I want to be
Guess that's hard for others to see

I want my song to be the world's biggest hit
