[Sean Bruen]

Whip it up

Whip it up

Whip it up

Whip it up

[The Karma Killers]

Crack that whip

Give the past the slip

Step on a crack

Break your mamma's back

When a problem comes along

Crack and code

What's the crack?

Shape it up

Get straight

Go forward

Move ahead

Try to detect it

It's not too late

When a good time turns around

Don't know what you dream at night honey

Close your eyes and see

Leave the rest to me

I'll be stealin' in if you give me half a chance

C'mon baby let's get this dream to dance

Well it seems so sad to me, the way we carry on

Why, why baby can't we get along

I ain't deceivin' you if you ain't deceivin' me

Then someone else has lied to us Yeah

Don't deny it

[Chorus]

Save it for another day

Don't save it for me

If I ain't good enough for you

Then maybe baby you ain't good enough, good enough
for me

You gotta whip it

Save it for another day

Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

[JME]

Let me whip you with my love
Let you understand that I am your only man
Let you understand, forever we are one
Better get ready to be loved
The first time is mine
But later you'll find
Love gets crazy sometimes
And when you're bad, I won't be mad
Speak softly in your ears
To let you know that
I need you desperately
Every step of the way
We play the same games
Where did we lose our way
Bring love back today for time is right
We hit the club, tore it up
Mally Mall's got model sluts
Fearin' & Loathin' in Las Vegas, party, party, bottles up!
I'm feeling like a king, someone tell me where my robe
is?
This nitrous oxide got me feeling like Moses
Laugh'in it up, laughin' loud

[Chorus]

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

[SkeptA]

Twist it up until you tappin' out
But Skepta ain't throwing in the towel
Take a pull buddy, how you sound?
My voice feeling like I just swallowed a frog
I think I'm Mr. T, I think I'm Boss Hog

(Get, get, get) getttie up, promenade
Rip it up, hit the stage
Outta my mind yeah, wanna go craze
Feeling like I wanna float around for days
She's all about it, she's getting rowdy
She like to party! So whip it shawty!
Baby you and maybe you
Need to come back to the naked room
Whip it, whip, get with it
I'll open you up like a Baby Ruth
She's getting ripped, she's getting striped
Swimming in a funk
I watch her skinny dip
You wanna feel I'll, wanna get real
Wanna pop a pill feel out of control

[Chorus]

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it

Save it for another day
Don't save it for me
If I ain't good enough for you
Then maybe baby you ain't good enough, good enough
for me
You gotta whip it
