[The Karma Killers]

I'm way too cool for ya boy
That's why it'll never work
I'll have you suicidal, suicidal
When I say it's over
Damn all these beautiful girls
We're only gonna do your dirt
We'll have you suicidal, suicidal
When I say it's over
I remember when
I was hanging with my friends
That's when I caught your eye
You thought that I was fly
Right then you wished that I would be your baby (be
your baby)
You try to spit some game
Asking me girl what's your name
All that ice upon ya chain
So I asked you the same
Something tells me that we have fun together (fun
together)

[Chorus]

I ain't easy to find
I'm one of a kind
Oh when I dutty wine
I know your only mine
Tonight is yours
Tomorrow is for another guy
Now we're in the wreck site of beautiful girls

[The Karma Killers]

You've been calling me
Leaving messages all week
Was your curiosity
Got ya knees weak
I'm not looking for a man
So I don't want no confusion (no confusion)
I took ya to the floor
Got ya begging me for more
But that was my queue to go

So I hit the door
I let you hot
With your mind used to running wild (running wild)
Now a couple months have passed
Never thought that this would last
Oh everybody asked

[Chorus]
I ain't easy to find
I'm one of a kind
Oh when I dutty wine
I know your only mine
Tonight is yours
Tomorrow is for another guy
Now we're in the wreck site of beautiful girls

[The Karma Killers]
How ya got a girl like that
But you should've known
That nothing lasts forever (lasts forever)
I mashed up ya mind
When I tell you lies
But boy don't be surprised
That I'm seeing other guys
I'm too young to settle
And you should've known better (known better)

[Taylor Swift]
How do we explain this?
An attraction of opposites?
No, that theory has been refuted
By many experts in the fields of human psychology
A much greater attraction seems to come
from one more similar to oneself
Personality perhaps?
Without intending to sound judgmental

[Chorus]
I ain't easy to find
I'm one of a kind
Oh when I dutty wine
I know your only mine
Tonight is yours
Tomorrow is for another guy
Now we're in the wreck site of beautiful girls

I ain't easy to find
I'm one of a kind
Oh when I dutty wine
I know your only mine
Tonight is yours

Tomorrow is for another guy
Now we're in the wreck site of beautiful girls
