We can be like prisoners, yeah
And we can be alone
We can make a mess like no one knows
And risk it on our own

Spendin' the money that we don't have
Cause we don't care, no-oh
Livin' like kings with broken strings
And our face down to the floor

Livin' with our headphones up
We've got sound and that's enough
Nobody can touch us
And we run and we run and we run

[Chorus]
Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing
Hey hey we'll be young forever
Tonight will last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
got the music on our side
Ain't no body gonna catch us singin'

Look at us look at us we'll take the whole world by
surprise
Million dollar mindset in place, you can see it in our
eyes
Everything here is ours to take so come and take your
side

Livin' like kings with broken strings
And the beats so synthesized

We can turn the speakers up
Cause we've got sound and that's enough
Nobody can touch us
And we run and we run and we run

[Chorus]

Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing
Hey hey we'll be young forever
Tonight will last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
got the music on our side
Ain't no body gonna catch us singin'

You've done this to yourself or so, so it seems
You left behind everything
All your friends and all your family
Does it not feel slightly daunting
How you still sleep at night
When you must be able to hear them fight
It's all about you
All about you
All about the way you choose to live
You still left everyone you loved
Crushed, broken, snapped straight in half
How do you sleep at night
It's all about you, it's all about you

[Chorus]

Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing
Hey hey we'll be young forever
Tonight will last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
got the music on our side
Ain't no body gonna catch us singin'

Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing
Hey hey we'll be young forever
Tonight will last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
got the music on our side
Ain't no body gonna catch us singin'

Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing
Hey hey we'll be young forever
Tonight will last forever 'til our bodies drop

We can run through the night
Write our name up in the sky
got the music on our side
Ain't no body gonna catch us singin'
