Where Your Glory Dwells

One thing I ask, this one thing I seek.
Just to be in Your house forever.
Just to stand in awe, of Your beauty.
Surrounded by Your gentle care.

Chorus:

Where Your glory dwells, I am overwhelmed.
As Your presence draws me near.
How I love this place, sheltered by Your grace.
In Your house where Your glory dwells.

As I enter through Your temple gates.
I'm received by Your goodness and mercy.
All my troubles cease, all my fears erase.
I am safe in Your dwelling place.

Chorus (2x)

In Your house where Your glory dwells
