When I take you down
I don't wanna take you down
Don't ask why I never been there
'Cause I don't know, oh no

If I close my eyes
I don't wanna close my eyes
There are dreams of phantom doorways
There were dreams of you and me

Turn your back on me
Turn your back on me
Turn your back on me

Will you drag me down
Will you see just who I am
Don't have much and never will have
But I got dreams yeah, yeah

Turn your back on me
Turn your back on me
Turn your back on me
Turn your back on me
Turn your back on me

Turn your back on me
Turn your back on me
Turn your back on me
Turn your back on me
Turn your back on me
