Sun came shining through the rain
looks like it is going to be a rainbow day
Fruity pebbles fall from the sky
all the colors of the rainbow high
was soothing my soul till I seen it sail away
Bedrock in the sky
with Jesus Christ Rubble
sitting on the Right Hand
a hand with four big toes
Now I am not wiggig on disney anymore
God Flintstone loves me
this I know
Aghast I walk these streets of stone
at last I find myself alone
Now night is falling on the shapeless sun
I beg forgiveness for the things I have done
No citizens for miles and miles
I await my judgment with a smile
