Hey, look around today  
Everything don't need to be the same  
Feel I'm feelin', lonely people  
People just like me who go it alone  
I guess I'm gonna go it alone

Now I live my life  
Remote controllin' my destiny  
Yeah, yeah, yeah, yeah  
I can bleed when I want to bleed  
So come on, come on

You can bleed when you want to bleed  
Want to bleed

Bleeding  
Bleeding

Hey, look around today  
Everything don't need to be the same  
Feel, feelin' lonely people  
People just like me who go it alone  
'Cause baby I'm a rolling stone

I live my life with no control in my destiny  
Yeah, yeah, yeah, yeah  
I can bleed when I want to bleed  
So come on, come on

You can bleed when you want to bleed  
Yeah, yeah, come on  
Everybody bleed when they want to bleed  
Come on and bleed

Yeah, yeah, yeah, yeah  
I can bleed when I want to bleed  
Come on, come on  
You can bleed when you want to bleed

Yeah, yeah, come on  
Everybody bleed when they want to bleed  
'Cause I can bleed when I want to bleed

You can bleed when you want to bleed
