Thought you wanted. Thought you wanted.
I thought you wanted to save me.
Now you got it. What you wanted.
Now you're driving me crazy.

You don't know me. Never met me.
But I know that you'll like me.
Now I comin'. Now I'm comin'.
I hope that you like me.

Gonna come undone (got your address)
Got to keep me from (where you live)
Like a lost street bum (got your number)
They call me ... they call me ...

Thought you wanted. What you wanted.
I thought you wanted to save me.
What you wanted. Now you got it.
Now you drive me insane yeah.

You don't know me. Never met me.
But I know that you'll like me.
Now I'm coming to your party.
But you didn't invite me.

Gonna come undone (got your address)
off the T.V. from (where you live)
like a lost street bum (got your number)
They call me... they call me...
