[Mia X] (Mystikal)

MC.. (Whoa)

This is your motherfuckin time nigga, you ready? (Huh bro?)

You sho' you ready? (Fuckin right.. nigga what?!)

Fuck that mask we don't need no mask

they know who we is anyway!

What we gon' do, is go in here, handle our business

Take everything and break out

You feelin me? (\*gun cocks\*)

Well let's let them niggaz have it

[Mia X]

This is a stick, up, MC's lay it down

We got the clout in this bitch so don't be fuckin around

Got the rap game locked, spittin what they feelin

Makin all the money, got em say we rackateering

Y'all fearing No Limit, black owned and operated

Uncle Tom's and Lil' Sambo's get annihilated

Y'all ain't tolerated, cause only soldiers ride with T-R-U

On the Tank full of lyricists, hustlers, and gorillas

Killers, and we do what we gotta do to make it happen

All action, all cappin, fuck yappin

Mappin, out the industry, gon' blow this joint

and take the royalties, the publishin and all the points

right with us

It's the Black Prince and the Biggest Mama

Shootin sparks from the top of the Billboard charts

Watch out now, don't nobody move, cause you gon'

lose

Then we takin everything, cause we brought the right

tools

\* Chorus: Fiend (repeat 2X) \*

Give it up, give it up, or get fucked up

It's gon' happen point blank range, so don't even duck

We lust to bust, turnin bitches to dust

Always your ass if you don't give it up

[Mystikal]

Black Prince in this bitch with the Biggest Mom of em all  
Out of sight, when we unite, like killers and George  
Slowly, unlock the safe on the wall  
Stop disrespectin the pistol I'm pointin at y'all  
Buck buck! Get down, get on your face or get handled  
Bitch keep still 'fore I make an example  
Cut up that fuckin remake, and give me that sample  
Give me the fuckin recoup, you 'sposed to be payin  
me!  
Bag the loot then, cover the camera  
Snatch a fuckin hostage then run out with the manager  
Fuck it, gotta have my paper, fortune and fame  
Lay it down so the bitches won't forget my name!  
{\*GUN FIRES\*} Listen close motherfucker  
If you don't meet my demands, this nigga gon' suffer  
This ain't no fucking game, and ain't none of this funny  
If you want this nigga to live, then gimme your  
company!

\* Chorus \*
