Do you wanna
Do you wanna
Said do you wanna live your life
Without the groove
of the plastic fantastic machine?
To live a life like that
Well that's not for me
[?] just like me

Would you please?
Would you please?
Want you to turn the tables around
(Don't take my vinyl away)
I want the tables turning my sound
(Don't take my vinyl away)

Can't find my favorite record
'Cause they tell me they will never make it anymore
I wish someone could tell me
Just exactly what this generation's coming to

Do you wanna live a life
Without the groove
Of the plastic fantastic machine
To live a life like that
Well that's not for me

Don't take my vinyl away

Won't you turn the tables around
I want the tables turning my sound

Every time a hear a CD
Seems like someone's trying to shoot me
With a laser beam
I wish someone could tell me
Just exactly what this generation's coming to
