I am a lineman for the county
And I drive the main roads
Searching in the sun for another
(Overload)
I hear you singing in the
(Wire)
And I can hear you through the
(Wine)
And the Wichita Lineman is still on the line
I know I need a small vacation but it don't look like rain
If it snows, that stretch down south
Won't ever stand the strain
And I need you more than want you
And I want you for all-time
And the Wichita Lineman is still on the line
And I need you more than want you
And I want you for all-time
And the Wichita Lineman is still on the line
