This is real life
I'm not posing for a magazine
Don't ask me any questions
Til I get my caffeine

Cause I look C-U-T-E
Whatever my low cal
When I get a medi pedi
Or a root canal

I'm super C-U-T-E
Every single day
Knock, knock
With the neighborhood party

Come on y'all
Let's split today and today

C-U-T-E
Super C-U-T-E-E-E-E-E

She's running errands y'all
But in the fast lane
Strut her outfit in the aisle
By the whole grain

Check her out at the check out
Check her out at the check out

I'm looking super cutie
In any life situation (That's right)
These jeans just saved me from
A traffic citation

OMG, so C-U-T-E

I'm super C-U-T-E
Every single day
Knock, knock
With the neighborhood party

I got cute in my pocket
I got cute on my sleeves
Distracting my men when
He is racking those leaves

I take a look at the mirror
Super cutie is what I see
Cause everyday I take my ride
I'm anties, ousy, e

I'm super C-U-T-E
Every single day
Knock, knock
With the neighborhood party

Come on y'all
Let's split todai and today

C-U-T-E
Super C-U-T-E-E-E-E-E

You got real style
And a dress to express it
She know she looks good
No need to be dressing

Check her out at the check out
Check her out at the check out

OMG, so C-U-T-E
OMG, so C-U-T-E

They say girl you super cute
She say no duh
Cuz everyday she's looking cuter and cuter

They say girl you super cute
She say no duh
Cuz everyday she's looking cuter and cuter

I'm super C-U-T-E
Every single day
Knock, knock
With the neighborhood party

Come on y'all
Let's split todai and today

C-U-T-E
Super C-U-T-E
Ah, C-U-T-E

I'm super C-U-T-E
Every single day
Knock, knock
With the neighborhood party

Come on y'all
Let's split today and today

C-U-T-E
Super C-U-T-E-E-E-E-E
