Your voice is hypnotizing  
Can't get enough of you  
My pulse just won't stop rising  
Tell me, is this love?

My knees are shaking badly  
I guess, I'm outta my mind  
I want you deeply, madly  
Tell me, is this love?

And his eyes, when they're looking at me  
And his smile, when he's laughing 'bout me  
And his hands, when they're touching on me  
Tell me, is this love?

My wicked heart beats like a drum  
He sets my soul on fire  
My wicked heart beats like a drum  
My temperature gets higher

Please call the cops, I'm helpless  
Can't get you outta my mind  
I need a doctor to cure this  
Or is it love?

And his lips, when they're kissing on me  
And his breath, when he's breathing on me  
And his mouth, when he whispers at me  
Tell me, is this love?

My wicked heart beats like a drum  
He sets my soul on fire  
My wicked heart beats like a drum  
My temperature gets higher

My wicked heart beats like a drum [x2]

I wanna know, why I can't sleep at night  
And I'm thinking if this is wrong or right  
I wanna know what kind of feelings I feel  
Is it love or something in-between

I wanna know, why you turned my world upside down  
And I see you as my king with a crown  
I wanna know, how you brought back my smile  
Is this real or not even worth the while?

My wicked heart beats like a drum  
He sets my soul on fire  
My wicked heart beats like a drum  
My temperature gets higher

My wicked heart beats like a drum [x2]
