Give me a reason

Give me a reason to wake up in the morning
Give me a reason or I'll crack out
Give me a reason or I'll leave the party
'Cuz everybody's talking bout the same old things

I go mad
Yeah yeah yeah!!

Hard to see this could last
I don't no baby, but I'm having a blast
I don't know what to do
The things you do, things you say
Don't get a thing, but it's good anyway
'Cuz soon I will leave this all behind

Give me a reason or I'll keep on dreaming
'Cuz I rather keep on dreaming then get like them
Give me a reason, baby give me a reason
Give me a reason or I crack out

Doesn't make sense, they used to be my friends

Hard to see this could last
Two crazy kids and a voice from the past
I got my ticket way out of here

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy and I don't like it
You're a lonely girl
You're a lonely girl
You're a lonely girl and please don't fake it

Give me a reason to wake up in the morning
Give me a reason or I'll crack out
Give me a reason, baby give me a reason
Give me a reason or I crack out

Hard to see this could last

I don't no baby, but I'm having a blast
I don't know what to do
The things you do, things you say
Don't get a thing, but it's good anyway
'Cuz soon I will leave this all behind
