Wanna hear some music  
Wanna feel it  
Play it nice 'n' loud  
Will you be my sweetheart  
Come backstage  
Hang out with the crowd  
Guess who's back in town

Her name is Lucille  
She knows the words  
To all the songs  
She talks in pictures  
Can't stand her tongue  
Lucille's back in town  
She loves to rock you

She's goin' backstage  
Gonna steal my heart away  
Backstage girl, staged to love  
She's goin' backstage  
She's gonna burn away  
Burnin' my stage  
To steal my heart

Wanna taste my lovin'  
Sure got candy rock'n'roll  
Will you be my angel  
Oh, Lucille of love  
Backstage girl in town  
She loves to rock you
