Don't you know I've been hurt?  
Yeah, don't you know I've been hurt?  
Baby, don't you know I've been wrong? Yeah

At the age of eighteen, I had had enough  
And by twenty one, I decided to get tough  
And then I found the guard was still too rough

I've been hurt ever since that day  
I've been hurt, yeah, and I've lost my way  
I still ain't have a chance to try your love

Well, I tried to love you one day at a time  
Each day waiting, hoping for the sign  
It was clear, I needed luck more than this time

Yeah, I've been hurt ever since that day  
I've been hurt, yeah, and I've lost my way  
I still ain't have a chance to make you mine

My empty heart is counting all the ways  
Fire and desire, sat and count the days  
Will you, won't ya, when and where  
Do you, don't ya, do I care?  
The same eternal questions always there  
Yeah, no, no

I've been hurt, Lord, ever since that day  
I've been hurt, yeah, and I've lost my way  
I still ain't have a chance to try your love

My empty heart is counting all the ways  
Fire and desire, sat and count the days  
Will you, won't ya, when and where  
Do you, don't ya, do I care?  
The same eternal questions always there

Don't you know I've been hurt, Lord, ever since that day  
I've been hurt, yeah, and I've lost my way  
I still ain't have a chance to try you love

I've been hurt, Lord, ever since that day

I've been hurt, yeah, and I've lost my way  
I still ain't have a chance to try your love

Yeah, I've been hurt ever since that day  
I've been hurt, yeah, and I've lost my way  
Don't you know you're hurtin' me, baby

Yeah, well, I lost my mind  
I've been hurt, baby, now  
I've been hurt, yeah, I've lost my way  
Hold it, well, every day  
I've been hurt, baby, babe  
Hold it, well, every single day  
Well, you've took me there, baby
