I can't stop singing
I can't see the end just a new beginning
As long as I keep on trying, I'll survive just fine
Free to take my time

Ridin' the moon in the midnight sky
I can see through the man who lies with his eyes
The real thing that's wrong is he has no song to lean on
So I'll take my time just to give you my rhyme
To try to be sure and open the door
'Cause there's much more to life than a day and a night
to dream on

I can't stop singing
I can't see the end just a new beginning
As long as I keep on trying, I'll survive just fine
Free to take my time

Now I ain't confessin' to some kind of blessin'
I'm trying to say why I'm happy today
I'm not preachin', teachin', makin' some speech in
dedication
'Cause it's no good me sayin' where the blame should
be layin'
For with that kind of reason it comes out the same
With an ear to the ground, each day I found inspiration

I can't stop singing
I can't see the end just a new beginning
As long as I keep on trying, I'll survive just fine
Free to take my time

I can't stop singing
I can't see the end just a new beginning
As long as I keep on trying, I'll survive just fine
Free to take my time

I can't stop singing
I can't see the end just a new beginning
As long as I keep on trying
