Safe in the shadows
Deep in the night
I know you're near
But you're nowhere in sight

Safe from the darkness
Down in the streets
I hear your footsteps
I hear your heartbeat

Oh, I can hear your heartbeat

On the street corner
Away from the light
I know you're near
But you're nowhere in sight

Over my shoulder
I feel you're near
I feel you moving
But you never appear

(Chasing shadows)
Chasing something I can't see
(Chasing shadows)
Will I ever be free?

(Chasing shadows)
Into the darkness from the light
(Chasing shadows)
I'm just a victim of the night
The night

Cloaked in darkness
You play at your game
I hear you breathing
Call out your name

Closer, closer
I feel you so near
You're just a shadow
But you never appear

(Chasing shadows)
Chasing something I can't see
(Chasing shadows)
Will I ever be free?

(Chasing shadows)
Into the darkness from the light
(Chasing shadows)
Another victim of the night
The night

Shadows in the night

Safe from the darkness
Deep in the night
I know you're here
You're nowhere in sight

Over my shoulder
I know you are near
I feel you moving
Will you ever appear?

(Chasing shadows)
Chasing something I can't see
(Chasing shadows)
Will I ever be free?

(Chasing shadows)
Into the darkness from the light
(Chasing shadows)
I'm just a victim of the night
The night

(Chasing shadows)
Chasing something I can't see
(Chasing shadows)
Will I ever be free?

(Chasing shadows)
Into the darkness from the light
(Chasing shadows)
Another victim of the night

(Chasing shadows)
I cannot chase something I can't see
(Chasing shadows)
Will I ever be free?

Shadows in the night
