Alone again  
I feel so alone again  
with this emptiness I just can't hide  
picture me with a broken heart  
see the tears run down my face.

(Ev'rything I had has gone) Ev'rything is gone  
loneliness still lingering on  
ev'rytime I thought was mine  
come back to me  
can't we try it one more time  
come back to me.

I know I'll find another love in time  
but you'll always be there in the back of my mind  
the power of love can bring such pain  
I still love  
yea  
I just love you  
alone again I'm so alone again  
with nothing  
nothing but you on my mind  
can't you see what you've done to my life  
what can I do to win you back again ?  
(Ev'rything I had has gone) Ev'rything is gone  
loneliness still lingering on  
ev'rything I thought was mine  
(come back to me)  
can't we try it one more time  
come back to me  
come back to me.

Take a piece of my heart  
baby  
come back to me  
come back to me  
don't you know  
that I love you  
girl  
come back to me  
come back to me  
don't you know  
that I love you  
babe  
come back to me  
come back to me

...  
w can you close and fail  
how can the light that burns  
so  
Arial
