I'm so sorry for the things I've done  
And the times that went a little wrong  
Try to understand that I've made my plans  
With my love for you in mind

Sometimes you get the wrong idea  
And I can't seem to make it clear  
If my heart doesn't show it's 'cause I don't know  
The best way to say I love you

Every living day you fill my heart  
With a breath of spring  
And I search the universe for some joy  
That I can bring to you

Every living day you fill my heart  
With a breath of spring  
And I search the universe for some joy  
That I can bring to you
