Do we live our lives in moderation?
Does this appear
When you're around?
And the deeper in debt
The harder the bet
Your thoughts are one of a clown

Look out before you sign
Your soul away
The crystal ball, it seems
Is not reading to - reading today

Does the time seem right
For some rethinking?
It seems a gift that you have
Are you living a dream
Of express progress?
It's just a thought that you have

Oh, you should've know better
When the warning light was lit
As it did for others
You preach a sermon
When you talk of the messiah
We are yet to discover

Thinkin', lovin', feelin'
But disbelievin' ...
