I don't believe in your kind of affection
Your taking me in the wrong direction
Don't give me none of that holy water
Comin' on like you're The Devil's daughter

Just take me to your chapel
Show me to your leader
Take me to your chapel
I wanna meet your leader, yea
Come on

How do you find the time to exist?
I've got to keep my strength of mind to resist
Don't give me none of that holy water
Comin' on like you're The Devil's daughter

Just take me to your chapel
Show me to your leader
Take me to your chapel
I wanna meet your leader, yea, yea
Oh man, come on man
Come on man now take me there

Where do you come from and where do you go?
Can I touch without havin' to know?
Don't give me none of that holy water
Comin' on like you're The Devil's daughter

Just take me to your chapel
Show me to your leader
Take me to your chapel
I wanna meet your leader
