(being, in love)

Been travelling this road for so long
My eyes are tired but I carry on
The sun lays down it's golden threads
I need a place to rest my head
Although I am far from home now
My soul's with you

It's hard to be out here on my own
So far away, so far from home
I need to touch and feel your skin
To live this dream in sleep again
Although I am far from home now
My soul's with you

So dream on, dream on
Freedom comes with timeless sleep
Dream on, dream on
In the arms of night
Your silent shadow gently speaks
Dream on, dream on

This hotel room's a lonely place
It's a one night cell I must escape
So I drink away my loneliness
So I can sleep and dream again
Although I am far from home now
My soul's with you
And as I fall into
The darkness of the night
You come to rescue me to
Shield me in your light
I feel your touch
The softness of your skin
You hold me close before
The day breaks in
This dream's so true
My heart it beats, it beats
It beats for you, for you

Although I am far from home now

My soul's with you

So dream on, dream on
Freedom comes with timeless sleep
Dream on, dream on
In the arms of night
Your silent shadow gently speaks
So dream on, dream on
Dream on, dream on
So dream on, dream on
Dream on
