This is a place I've never knew before
It's called easy livin'
This is a thing I've never seen before
And I've been forgiven

Easy livin' and I've been forgiven
Since you've taken your place in my heart

Somewhere along the lonely road
Had tried to find you
Day after day on the windy road
Had walked behind you

Easy livin' and I've been forgiven
Since you've taken your place in my heart

Waiting, watching wishing my whole life away, yeah
Dreaming, thinking ready for my happy day
And some easy livin'

Somewhere along the lonely road
Had tried to find you
Day after day on the windy road
Had walked behind you

Easy livin' and I've been forgiven
Since you've taken your place in my heart

Easy livin' and I've been forgiven
Since you've taken your place in my heart, yeah
