Just like footprints in the snow  
Who knows where my heart will go?  
Will it lead me to you  
Or will I see another empty day? Yeah

Seasons come and quickly go  
Kinda makes me wonder if they know  
Why my heart keeps running near and far  
If only they could tell me where you are, oh

If you've ever been in love  
Then you'll know the rocky road  
I've been speaking of  
You'll remember  
When the times were good  
And the times you had to do without  
Think carefully my friend  
It may look like the start  
But it could be the end

Well, I'm not trying to bring you down  
I'm just so tired of hangin' around  
I won't make the same mistake again

If you've ever been in love  
Then you'll know the rocky road  
I've been speaking of  
You'll remember  
When the times were good  
And the times you had to do without  
Think carefully my friend  
It may look like the start  
But it could be the end

Think carefully my friend  
It may look like the start  
But it could be the end  
Oh, think carefully my friend
