Hit the city, hit the night
Crazy people, neon light
Hit the club, sip the wine
But just remember to leave on time

Hit the red lights, check the girls
You're steppin' into another world
See the man, he'll spin you alive
Now just remember to leave on time

Heartache, city of heartache city
City of heartbreak
Heartache city

Heartache city, city of heartache city
City of heartbreak
Heartache city

City of sin

Check the star club, see the stars
All the action in the back street bars
If you're lookin' for love you're in the wrong place
Tricks for kicks can you stand the pace

Heartache, city of heartache city
City of heartbreak
Heartache city

There's crazy people in heartache city
City of heartache city
City of heartbreak
Heartache city

Heartache
Heartache
Heartache
Heartache

Hit the city, hit the night
Crazy people, neon light
You spend your money it's no real crime

Now just remember to leave on time

Heartache, city of heartache city
City of heartbreak
Heartache city

Crazy people in heartache city
City of heartache city
City of heartbreak
Heartache city

Heartache city, city of heartache city
City of heartbreak
Heartache city
