I feel the pressure  
Pushing down on me  
Can't face the world  
Can't change the things I see  
I got my hands in my pockets  
Staring at the walls  
Can nobody help me  
To escape from it all

I hear voices in my head  
They taunt me  
Can't lock them out  
Inside my thoughts  
They breathe in me  
I got my hands in my pockets  
Screaming at the walls  
Can nobody help me  
To escape from it all

I've got to run to be free  
Break the chains round my heart  
Take away the pain and the joy  
Release the man from the boy  
Run to be free, run from the heart  
Life will take you where it goes

You can offer me salvation  
Feed me when I call  
Don't talk to me of sanity  
When I'm not quite here at all

I've touched the sun  
I felt it's warmth in me  
So you will never take away my dignity  
Cause I've got my hands in my pockets  
Fighting for my cause  
Can nobody help me  
To escape from it all

Run to be free  
Break the chains round my heart  
Life will take you where it goes

Run to be free  
Run from the heart
