As I wake up everyday with no new songs to play
Feelin' like I ought to pack my bag and run
My imagination flies to some other sunny skies
Where I felt so good and everything was done
And my time was my own and my heart felt so free
Come on

I don't mind a little rain but it doesn't seem the same
When the clouds shut out your beauty from my eyes
There's a storm inside my head and I know it doesn't
lead
T a clearer day when nobody will cry
I can't stand here alone and I need to be free
Free

So bring fire and bring steel for you know the way I feel
Bring a silver horse to carry me away
I'm no stranger I'm a friend and my pain will never end
Till the world will let us live our lives as one
And our time is our own and our hearts can be free

I wanna be free again
I wanna be free yeah
I wanna be free yeah
Wanna be free
I wanna be free
I wanna be free yeah
I wanna be free yeah
I wanna be free
I wanna be free
