How strange when
You know the feeling
That something ain't right
You're fooled by the need of being
You're blind to the light
Don't ask where
The stranger leads you
He'll show you the way
Just go out and make your conquest
You've something to say

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

There's been so much
Bad time wasted
Just look and you'll see
We've got so much going for us
It's not just a dream
Let's look and we'll find the answers
To questions I've made
We'll reach out for new beginnings
Let love show the way

Let's leave our past behind
The love can make us blind
But now we know
That we're alive
