One day, one day  
One day, one day  
One day, one day

Didn't I tell ya  
Everything was gonna be alright  
I never doubted  
It was just a matter of time

And though I've traveled  
Across the desert of despair  
I know I'll get there, yeah  
One day

How times have changed  
I better rea, rearrange everything  
But it can't change the love I bring  
When I get back home to you

I am the same  
It's just a game that I chose to play  
But remember I can lose as fast as I won  
One day

I still remember the hole in the wall  
(I still remember)  
Where we all sat though you said we'd fall  
The dusty yard and the broken down barn  
(The dusty yard)  
Where you and me used to share a yarn  
But it's gone now

But didn't I tell ya  
That everything was gonna be alright  
I never doubted  
It was just a matter of time

Though I've traveled  
Across the desert of despair  
I know I'll get there  
One day, one day, yeah

I'll get there  
One day
