Red lights - on the highway  
Headlights - blinding my eye  
Red lights - keep me waiting  
White lights - drive me insane  
Red lights - in the city  
Streetlights - high in the night  
Searchlights - I'm looking for someone  
Red lights - young blood's alright

Try as I can but ( ? )  
I can't keep away  
No no no no way

Red lights - she knows what I'm here for  
Headlights - look me in the eye  
Red lights - are you looking for danger  
White lights - drives me insane

Try as I can but ( ? )  
I can't keep away  
No no no, not for one day

Red lights - no questions  
Streetlights - youth's desire ( ? )  
Red lights - burning desire  
White lights - put you to bed ( ? )  
Red lights - in the city  
Streetlights - shadow the night  
Sunshine - if you need some one  
Headlights - that young blood's alright

Try as I can but ( ? )  
I can't keep away  
Not today  
She brings me to my knees  
Try as I can but ( ? )  
I can't keep away  
I want you babe ( ? )

Red lights - oh, I want you  
Red lights - I need it  
Red lights - you get too heavy
