Searching every day looking every way
Trying to make a connection to find a piece of the
action
Like a hungry poet who doesn't know
He is close to perfection choice is the question

Moonlight night after moonlight night
Side by side they will see us ride
But if they cared to look then they would see
It's our return to fantasy, fantasy, fantasy, fantasy,
fantasy, fantasy

Can you understand that in every man
There's a need to unwind that's never been defined
Somewhere deep within there's another being
You are somehow abusing by the person you're using

Moonlight night after moonlight night
Side by side they will see us ride
But if they cared to look then they would see
It's our return to fantasy, fantasy, fantasy, fantasy,
fantasy, fantasy

Traveling faster than lightening closer than ever before
We can go on for you and take you nearer to the
legend of mystery
From the beginning of time dreaming time dreaming
We can return to the land of the good and the kind
Time dreaming time dreaming
No we won't come to your party and open our minds

In another place there's a newer face
Like an unfinished painting your creator is waiting
The brush and pen describe, what it is inside
That will set your mind thinking while the others are
sinking

Moonlight night after moonlight night
Side by side they will see us ride
But if they cared to look then they would see
It's our return to fantasy, fantasy, fantasy, fantasy,
fantasy, fantasy
