It's gonna happen before too long
It's gettin' hard to tell who's right and who's wrong
I can see it comin' so I gotta be strong

There's gonna be a showdown
There's gonna be changes in this town
We're gonna see a showdown

A time's gonna come in the future when
A whole lotta people gonna think again
We're gonna keep right on till you break and then

There's gonna be a showdown
There's gonna be changes in this town
We're gonna see a showdown

Do you want to be out of touch? Only you can decide
For something different you're out of luck
?Cause on we will ride, on we're gonna ride
Ride on, ooh, ride on, come on

Come on

The music explodes like a gun in your hand
We're gonna give you more than your head can stand
Then we'll sit down and talk man to man

There's gonna be a showdown
There's gonna be changes in this town
We're gonna see a showdown

There's gonna be a showdown
We're gonna see changes in this town
We're gonna see a showdown

Showdown, showdown, showdown
Showdown, showdown, showdown
Showdown, showdown, showdown
Showdown, showdown, showdown
