Skools burning, it's burning down  
Burning down, burning down

Stand up, sit down  
Don't turn around  
Don't talk and don't smoke  
Don't laugh, no joke  
Too many rules, too many fools  
Gonna raise it to the ground  
We're gonna get high  
Light up the sky  
Gonna burn it down

Yes sir, no sir, 3 bags full  
Speak up or shut up  
Backs to the wall  
Stand in line, take it outside  
See the soldiers march in time  
Rollin' out of bed, fallin' on my head  
I think I'll pull the pin

Shape up, or ship out  
Your hair's too long  
Yes sir, no sir, the same old song  
Stay after time and  
Learn all your lines  
Or write 'em out a thousand times  
I heard what you said  
Bells in my head  
I think I'll pull the pin

There's gonna be a party tonight  
People gonna come from miles  
There's gonna be a fire here tonight  
Gonna dance with the devil  
Till the dawn  
Dance with the devil till the dawn

Stand up, sit down  
Don't turn around  
Don't talk, don't smoke  
Don't laugh, no joke

Too many rules, too many fools  
Gonna raise it to the ground  
Gonna get high, light up the sky  
Gonna pull the pin
