There's never a day  
When I've got nothing to do  
Something to me  
Might mean nothing to you

So don't don't don't don't  
Look at me strangely now  
We'll find the line  
That's in the middle and run

Something, something or nothing  
Something, something or nothing

You say you love to spend days  
But I will save mine  
Wait for the sun in your eyes  
To turn the river to wine

But don't don't don't don't  
Look at me strangely now  
We're gonna find the line  
That's in the middle and run

Something, something or nothing  
Something, something or nothing

You say you love to spend days  
But I will save mine  
Wait for the sun in your eyes  
To turn the river to wine

But don't don't don't don't  
Look at me strangely now  
We're gonna find the line  
That's in the middle and run

Something, something or nothing  
It's gonna be something, something or nothing  
Something, something or nothing  
While look at the something, something or nothing
