1) Take me across the water
'Cause I need some place to hide
I've done the rancher's daughter
And I sure did hurt his pride - Ha
ha !

Uhu
Uhu
Aaaaah (2x)

2) Well there's a hundred miles of desert lies
Between his hide and mine
I don't need no food and no water
Lord

'Cause I'm running out of time

Ref) Fighting
Killin' - wine and women-
Gonna put me to my grave

Runnin' hidin' loosin' cryin'
Nothing left to save - But my life

Uhu
Uhu
Aaaaah (2x)

Aaaaah (2x) ->

3) Stood on a ridge and shunned religion

Thinking the world was mine

I made my break and a big mistake
Stealin' when I should have been buying

Ref) Fighting
Killin' - wine and women-
Gonna put me to my grave

Runnin' hidin' loosin' cryin'
Nothing left to save - But my life

Uhu

3) Stood on a ridge and shunned religion

Thinking the world was mine
I made my break and a big mistake
Stealin' when I should have been buying

I was stealin' when I should have been buying
I was stealin' when I should have been buying

I say Stealin' when I should have been buying
