I see your face in the magazine stand
I wanna hold you in the palm of my hand
I love everything about you
You're such a long way away

Your sweet talk
Ain't enough for me
I may be deaf
But you're too blind to see

You're gonna break my bones
With your feminine tones
But I don't wanna hear

Your sweet talk tonight
Not again tonight
When I call tonight
Don't wanna hear your
Sweet talk tonight

I hear your voice on the radio
It's gettin' so bad I don't know which way to go
Why don't you wake up girl?
You're such a long way away

Your sweet talk ain't enough you see
I need a woman
Who's a woman to me

You're gonna break my bones
With those feminine tones
But I don't wanna hear

Your sweet talk tonight
Not again tonight
When I call tonight
Don't wanna hear your
Sweet talk tonight

Ooh, I don't wanna hear it
Not tonight

You're gonna break my bones
With your feminine tones
But I don't wanna hear

None of that sweet talk tonight
Ooh, not again tonight
When I call tonight

Sweet talk tonight
Not again tonight
When I call tonight
Don't wanna hear your sweet talk

Don't wanna hear your sweet talk tonight
Not again tonight
When I call tonight

Don't wanna hear your sweet talk tonight
Not again tonight
When I call tonight

Don't wanna hear your sweet talk
