Adrian belew - The ideal woman

She's demure...Friendly...Loving and good-looking
Good-looking and wealthy
She is tall, pretty, thin blonde
A loving person, great personality, fun to be with
Independent, gorgeous, rich, powerful
Liberal yet she's very romantic
Of course, she'd have to have the perfect figure...

Everywhere she goes she's beautiful
Everyone I know says she's beautiful
And I deram about her even in my sleep
Everyone I meet says she's beautiful...

Blonde hair, blue eyes, about 5' 6"
Well,blonde about 5' 8"
Blonde about 5' 9"
36" 24" 36"

Everywhere she goes she's beautiful
Everyone I know says she's beautiful
And I deram about her even in my sleep
Even with her clothes on she's beautiful...

Not necessarily beautiful, but...

Lovely...Sexy...She's contagious
Talented...Creative...Controllable
Very fashionable... Good religious woman
She's extremely mobile
Silent...Electrostatic... Enigmatic
My wife...My mother
Pretty with hairy legs...

Everywhere she goes she's beautiful
Everyone I know says she's beautiful
And I deram about her even in my sleep
Even with her clothes on she's beautiful...
