Oh they're movin' in again
Hidden by the shadows and the wind
But we'll just wait awhile and then
We'll show 'em all that this time we ain't givin' in, ain't
givin' in

Without a care they sweep aside our dreams
To try and make way for their own
No more should we surrender to their schemes
It's time to stand and show 'em we are not alone

Time has changed us all we have our minds
Life has taught us we all have our love
And it's time to use it
Oh yea, use it ooo

Well nature gave us color, day and night
So if you've really got a reason then you better be right
The seasons of the year show spring and fall
But there's nothin' in the world that's says "It's right to
fight"

Time has changed us all we have our minds
Life has taught us we all have our love
Why don't we use it? C'mon and use it
Why don't we use it? C'mon and use it

La, la la la la
La, la la la la la
La, la la la la
