Whad' ya say...
Lady you're tyin' me down
Turning my heart to stone
And I can't help feeling I'd better off
Back out in the streets alone

Baby you're hurtin' me, deserting me again
I looked for your loyalty
And found a fickle friend

We could try to get back on the right track baby
Or leave it, just throw it away
We could pick it up, pack it up, make up or
Break up let's try again, whad'ya say

Faced with this situation, there's two things we can do
A lot of it is up to us, but most of it's down to you
You know we shouldn't play with love
It's a dangerous thing to do
So let's not get agony and ecstasy confused
Whad'ya say
