I sat before the wise man in the autumn of my youth  
And I told him all the things I had to know  
He said you have the future, if you need to find the  
truth  
And in his eyes I saw that it was so

So I came right out and asked him the meaning of life  
And as he smiled I saw a twinkle in his eye  
He said with all his years there's still so much he has to  
learn  
And once again I saw that it was so

Keep on living, loving waiting your turn  
It's the only way to ease your concern  
If you want to find your dream, be sure  
You don't wake up too soon or you'll find it easier  
Shooting for the moon

Wise man, wise man which way shall I run  
There's so many roads so many ways to turn  
I am like a blind man lost in the sun  
I wanna be like you, and be a wise man too

But I'm looking for an easy way to learn

Wise man, wise man which way shall I run  
There's so many roads so many ways to turn  
I am like a blind man lost in the sun  
I wanna be like you, and be a wise man too

But I'm looking for an easy way to learn

Oh wise man, oh wise man, yeah  
I wanna be like you, yeah  
And be a wise man too  
I wanna be like you, and be a wise man too  
I wanna be like you, and be a wise man too

Wise man, wise man which way shall I run  
There's so many roads so many ways to turn  
I am like a blind man lost in the sun  
I wanna be like you, and be a wise man too

But I'm looking for an easy way to learn
