Dancind with danger and  
Tears in my eyes  
Love ain't no stranger  
So many goodbyes  
Words in the distance  
Are calling me

Just when I thought  
I could make a a new start  
Here comes another fire  
Burning in my heart  
Words in the distance  
Are calling me

And to get to heaven  
You gotta go through hell  
I cut my heart on the wishing well

You know that I'm crazy  
I'm just a fool  
To say I love I love I love you  
You know that I'm crazy, just a fool  
To say I love I love I love you

My senses burning from  
The heat of your skin  
Deeper than deep  
I feel you movin' in, oh  
Words in the distance  
Are calling me

You know that I'm crazy  
I'm just a fool  
To say I love I love I love you, well  
You know that I'm crazy, just a fool  
To say I love I love I love you  
I love you

I hold this moment of magic  
I hold it in my hand  
A single moment of heaven

Don't you know that I'm crazy  
I'm just a fool  
To say I love I love I love you, yeah  
You know that I'm crazy, just a fool  
To say I love I love I love you

Don't you know I love you baby  
Can't you feel it in my heart, yeah  
And I don't know what to say, no  
Well I've got a fire in my soul  
I don't know which way to go  
Or I don't know what to do, no
