Verse:

Times ticking
The clock is moving forward
Emotions building up
I got the world on my shoulders
My girl by my side
And i don't even need another
Call me peter parker
Aka Mr Spidey
Yeah I'm bout to save you
Yeah I'm bout to save the world
Say the word
And i'll be there
Flying through the city
Taking heights in the air
All for my favorite girl
Mary jane.....
You know that i love you girl

Chorus:

I'm your mary jane
And you're my peter parker
We can be together
I hope it last forever

Verse:

Like batman and robin
i wanna be your partner
we can be together
make it last forever
i'm holding on so tightly
with all of my might see-
always on my mind
and in my heart is where you'll always be
my heart is where you'll always be
my heart is where you'll always be
we can dance all around
kissing you upside downnnnnnn

Chorus:

I'm your mary jane
And you're my peter parker
We can be together
I hope it last forever

Lasssssssssssssssssssssssssssst (Last Forever)

Oooo girl forever and everrrrr
Lets make it last forever
and ever and ever and ever
