"You Gonna Lose"

You gonna lose me every time
You gonna lose me every night
Because you treat me so bad and so low
And you make me feel like I want to go
You make me feel like I want to go, every time

It's not the ambition of my life
It's just for you to be my wife
Because you treat me so bad and so low
And you make me feel like I want to go
You make me feel like I want to go

But if you don't love me, let me know, baby
And if you don't need me, tell me so, honey
But if you don't want me, let me know
Because you make me feel like I want to go
You make me feel like I want to go

But if you don't love me, let me know, baby
And if you don't need me, tell me so, honey
But if you don't want me, let me know
Because you make me feel like I want to go
You make me feel like I want to go
