Back up in your ass with the Reurrection

Is the group harder than an erection

That shows more affection

They wanna ban us on Capital Hill

Cause its die muthafuckas, die muthafuckas

(Bushwick Bill)

All along [still] it was the geto, nothing but the geto

Takin short steps one foot at a time and keep my head  
low

And never let go

cause if I let go, then I'll be spineless

I'm goin' INSANE!

(Scarface)

I think my mind just goes outta control

And judge your subjects muthafuckas read about

I touch on the shit that they be leavin' out

I seen this muthafucka's .9 smokin'

I seen the same nigga with the .9 die with his eyes open

And simply what this means is

He didn't know that every dog had his day

Until he seen his

I bet you muthafuckas will too

Because its die muthafucka, die muthafucka still fool

(chorus) X4

(Scarface) Die muthafuckas, die muthafuckas still fool

(Willie D) Die muthafuckas, die muthafuckas still

[I think it's something in the water man, it's just  
gotta be in the water]

(Bushwick Bill)

Awww Fuck! Chuck's on a killing spree again

With guillotines for men

I walk around town with a frown on my face

Fuck the whole world, fixin' to catch a murder case

The murder rate

(Scarface)

May increase if your caught up in the world

While it's dyin', I guarentee your fryin' cause I am

On the verge of knockin' muthafuckas out for no  
reason

Once I get down there'll be no breathin' it seems when

Muthafuckas wanna calm down, put his palm down

Seems I gots to lay the law down

Now its on pow what you to do? I'm askin' you

(Willie D)

Step to face I'll break your ass in two, bastard you

Rather swim in some fuckin' hot tar

Before you fuck wit Willie D cause what I got for

Your ass will make ya shit your meal

Cause it's die muthafuckas, die muthafuckas still

Chorus X4

(Scarface)

How many niggas brought they irons tonight? [Tell me]

How many niggas wanna ride tonight? [I do]

Pick out our victims when the time is right

We get they ass up off the corner cause they dyin'  
tonight

(Willie D)

Niggas be all up in my mug

But it's a different story when them muthafuckas  
coughing up blood

[When he died, looking in his eyes, was he as he cried]

I bust another cap in his ass and he died, time is 5

(Bushwick Bill)

Niggas be shootin' the gif like they for real

But when it jumps, they ain't got no murder skills

So Bill just, chops 'em down, watch 'em fall

And cut they ass head to toe, jaw to jaw

(Willie D)

But I'ma make your bitch ass holla

Cause I'ma put a hole in your head

The size of a half a dolla

[Fuck around and get your cap peeled cause this is]

Die muthafucka, die muthafucka [kill]

Chorus X4
