Diiiiirrrrrty!!

My gat sounds nice  
One  
Leave your whole damn neighborhood stunned  
You better run  
I'm comin' at ya  
Duck, bob, and weave as these bullets fly past ya  
Man I'm crazy  
Puffin' on a green leaf  
Pointin' my heat  
Straight get off on bein' the street  
I'm puttin'  
One little  
Two little  
Three little holes in the back of ya dome  
You shoulda stayed home  
D-Town born and raised  
Drinkin' on a porch  
Beatin' down on strays  
Broke as fuck  
And always hungry  
Clothes on my back be dirty laundry

(Chorus 2x)

Just give me a fuckin beat  
Just give me a fuckin beat  
Those who grip a mic are known as teachers

I'm dusty like a ashtray  
I don't give a shit  
Got a clean ass piece though  
With a full clip  
And a small axe underneath the passenger seat  
Ready to swing it  
Best believe I'mma bring it  
Who you think ya messin' with, don't trip  
I'm a warrior  
Scalpin' all those who ain't standin on the same side  
When it's all about to go down

Fightin' with the enemy

Puttin' them in the ground  
I bring that old school basement sound  
When all I had was a forty-five weighin' me down  
Little redskin homey in the hood  
Big pimpin'  
Ghetto fabulous in the booth bullshittin'

(Chorus 2x)

Just give me a fuckin beat  
Just give me a fuckin beat  
Those who grip a mic are known as teachers

"Yeah man, my girl supposed to be comin' through dog  
and uh, she might just have a little hunny for you."

"Hey man"

"What?"

"Is it always like this in your motherfuckin'  
neighborhood, dog?"

"What, What? Oh, man it get crazier on the weekends  
dog."

"What the fuck man....."

"Lets go down to the party store I know that bitch down  
there. I need a forty anyway dog."

"Go to the fuckin....Whatchu gotta a tan....What you you  
gotta tank in the back mother fucker?!"

"Oh man, it's just down the street, come on dog!"

"Fuck that, I ain't goin to no mother fuckin, fuck that  
where the basement at?"

"Oh man....."
