(Chorus) Oh no! Oh, oh oh oh no! Ain't nothin holdin me back now, holding me back now! Oh no! Oh, oh oh oh no! Ain't nothin holdin me back now, holding me back now! Oh no muthafucka, suck up that lip! Cause I'm back in this muthafucka and I'm ready to trip! So I hope u never doubted me, cause here I am Packed in ya ear drum, like a can of span And I wouldn't give a damn if u hated me now Because my family hears me out and bumps this shit out loud You can call us psycho, crazy, insane, with noone to blame So we just sit in the rain Waitin for the right day to get what we deserve Like respect from the cops on the curb at the concert Nice titties, my oh my, but when the tear gas fire You better close your eyes Every time a new adventure, punch a horse in the face Smoke a blunt blunt in the forest while you piss in the lake Situations fucked up, fun and foul But it's a whole new year so try and stop me now

(Chorus)

Do you believe in what you do? Don't stop, don't let noone hold you Back from what you really wanna do Besides in this life all you got is you Keep your heart clear(Keep your heart clear) Don't let  $go\tilde{A}f\hat{A}$ ¢ $\hat{a}$ , $\neg \tilde{A}$ , $\hat{A}$ ¦go..go.. So emotional Believe me., I know!!

(Chorus)

You can't hold me back, because I'm comin for a throttle Hand on my hatchet, who wanna see a head bobble? I see my streets, like it's a native warfield And im the only white-skin left, standing with no shield So I started to chop cause I can't stop Its looking too peaceful up there on the top So im, doing everything that I must Even if I gotta bust on the ones I can't trust Aint nothing hold me back! Aint nothing stopping me from takin whats mine! (You Can't Stop Me! You Can't Stop Me! You Can't Stop Me!) Aint nothing hold me back! Aint nothing stopping me from takin whats mine! (You Can't Stop Me! You Can't Stop Me! You Can't Stop Me!) (You Can't Stop Me! You Can't Stop Me! You Can't Stop Me!) (Chorus Repeat til the end)
