It seems we've been together forever

I finally wrote down how I feel

This song is for you and all these words are true

My feelings I now will reveal

If love was a tree, you'd be a chainsaw

If love was color, you'd be clear

If love was a field of flowers newly revealed

You'd be a bushhog

If love was a book, you'd be illiterate

If love was sex, you'd be a nun

If love was a breeze of fresh air through the leaves

You'd be a barrel of ammonia

If love was warmth, you'd be a blizzard

If love was peace, you'd be a bomb

If love was a cat gently playing on his back

You'd be a rabid pitbull

If love was the sun, you'd be darkness

If love was rain, you'd be a drought

If love was a sports car, you'd be a garbage truck

If love was anything, You'd (screw) it up.

If love was a sports car, you'd be a garbage truck

If love was anything, You'd (screw) it up.
