[Magazeen:]

Moving Monday, Tuesday, Wednesday, Thursday,
Friday, Saturday, Sunday

We are make money, make money

So don't try nothing funny

Death before dishonor, honor

Rise up the Maybach banner

Zeen, bigga[?] Maga to the zeen

No so fuck a playa hater

Real Gangsta's make paper

Because we hustle everyday

That's how we get paid

Step up in the club and buy a 100 Rose

Make friend no, fuck a playa hater

Real gangsta's make paper

Because we hustle everyday

That's how we get paid

Run up in the club and buy a dozen rose

Money over everything, money buy you anything

Money make the World spin, money make your girl sing

Money is not everything, but money get ya anything

Remember stash a little ting just in case of anything,

[Chorus:]

I say it's all about money

It's money over everything

You can see it in my eyes

Than it ain't no surprise that I'm out for the cheddar
man

I said it's all about money

It's money over everything

I ain't in the streets for nothing

Everyday a nigga hustlin

And I'm out to get that cheddar man

It's money over everything

I spend a lot of dollars nigga but I stack more

24-7 nigga call it trap mode

Go hundred spokes spinnin' on the ride

So 357 give a nigga what he ask for
Money over everything even a bitch
I know some homies on the Ave that would kill for a
brick
I got some [?] in a trap buy a hundred a flip
A half a mill in a stash act broke as a bitch
I'm running the strip I get it how I live
Break a pound down or I can get it out a bitch
Robbin' motherfuckers that be so-called ballin'
Young [?] let me in, bitch I get it all in

[Chorus]

Smoking on Bagdads, fleshing on you rasclats
Just came home snatch the roof off the new jag
Future so bright even though I got a buried past
I've been gone for a minute, then I'm still on you niggas
ass
Pump your brakes don't nothing move but the cash
Red yellow old school looking like the fucking flash
This ain't a comic book, lives get took here
Money over everything [?]

[Chorus]
